I was able to attend LAC. On a scholarship. What an exciting conference! We got to hear Sonny Perdue speak and he was telling us that they were going to relax some of the requirements for a smaller school and small districts not to require at least a 2yr degree. Also, they were looking at adding more commodities for a farm to school products.

Chapter Meetings: Snapa 12.6 .18 at Solanco We heard Kelly talk about a Produce university and what she learned while attending. 03.07.19 Snapa at Columbia we had a mushroom grower at the meeting and they showed us the way mushrooms grow and the way’s we can introduce them in our menu. 03.14.19 We had a dine out fund raiser for Snapa Scholarship fund.
