## Summer Meals Matter Summit

Due to the lasting impact of the COVID-19 crisis, Feeding America has projected a 58% increase in Pennsylvania's childhood food insecurity from 2018 to 2020. The good news is that hunger is a solvable issue. We can ensure that all southwestern Pennsylvanian children have reliable access to food, and meet the full need in our community. Join them **April 8th starting at 9am** for webinars and workshops! [Register here!](#)
