Pennsylvania Harvest of the Month launches website and valuable resources.

Pennsylvania Harvest of the Month is a program developed by the Pennsylvania Department of Education and Project PA (Penn State University) to promote a local agricultural product each month through schools, child and adult care centers/day care homes, and summer feeding sites. The program aims to provide participants with local, healthy products while supporting Pennsylvania farmers and producers.

Harvest of the Month calendar featuring a Pennsylvania-grown/produced agricultural product each month was developed. Downloadable materials have been developed to be used by schools, child and adult care centers/day care homes, and summer feeding sites to promote these items.

Click here to visit the Pennsylvania Harvest of the Month website. Be sure to register for Harvest of the Month information.
Nominate a K-12 #Trayblazer Today! General Mills wants to know all about the school food all-stars going above and beyond for students!

1. What is a special meal your school is proud to serve?
2. Who is a school administrator that makes your lunchroom a welcoming place?
3. Who is always bringing that special idea to take meals to the next level?

Tell us all about your #Trayblazer below so we can share their story!

“If you have asked yourself how you can make a difference as our country faces extraordinary challenges, I have a suggestion for you. Before COVID-19 prompted nationwide shutdowns, school nutrition professionals were serving healthy school meals to 30 million students every day. Today, these school nutrition heroes are working on the frontlines to ensure vulnerable kids who depend on these meals do not go hungry during COVID-19 school closures. SNF will provide grants to school districts across the country so more kids can be fed. We will fund purchases of food and packaging for grab and go meals, mobile carts, and kiosks for curbside service, supplies and even personal protection equipment. These caring and selfless heroes join the ranks of first responders during this unprecedented help today! Please click on this link and donate whatever you can and show your support. Click the button below to donate now.

Thank you!
